PROFILE

A 4th-year Bachelor of Science in Information Technology student at Bicol University, graduating in 2025. Equipped with hands-on experience in front-end web development, I am proficient in HTML, CSS, JavaScript, and React.js, and familiar with modern UI libraries such as ShadCN and NextUI. I am seeking an opportunity as a Front-End Developer to apply my technical skills and contribute to innovative web development projects.

WORK EXPERIENCE

- Throughout my college years, I have gained extensive front-end development experience, starting from my 2nd year up to now, in my 4th year. This experience comes from various tasks and projects assigned by my professors, which have helped me develop the skills necessary to apply my knowledge to real-world jobs.

- **Extracurricular Activities**

Active participant in self-learning through tutorials, online courses, and hands-on projects to expand my technical skills.
